Fall Updates

Webinars

The **NY School Bus Incentive Program (NYSBIP)**: The recording and slides from their latest webinar, “Site Planning for Electric School Bus (ESB) Charging,” are now available on their [website](#), along with previous webinar recordings and slide decks.

Transforming School Transportation with Electric School Buses

Tues., Oct. 15th from 1-2 PM

Hear from a panel of expert speakers as they discuss inclusive strategies for the mass adoption of electric school buses. Gain insights and best practices from the Repower School Bus program, the Electric School Bus Initiative and more.

The Clean Cities and Communities electric school bus webinar series can be found [here](#).

It includes a basic introduction, guides on working with electric utilities, vehicle requirements, charging infrastructure, infrastructure planning and solutions, vehicle in use performance, driver and technician training, and cost factors.
